

## Stage 2 : Positioning

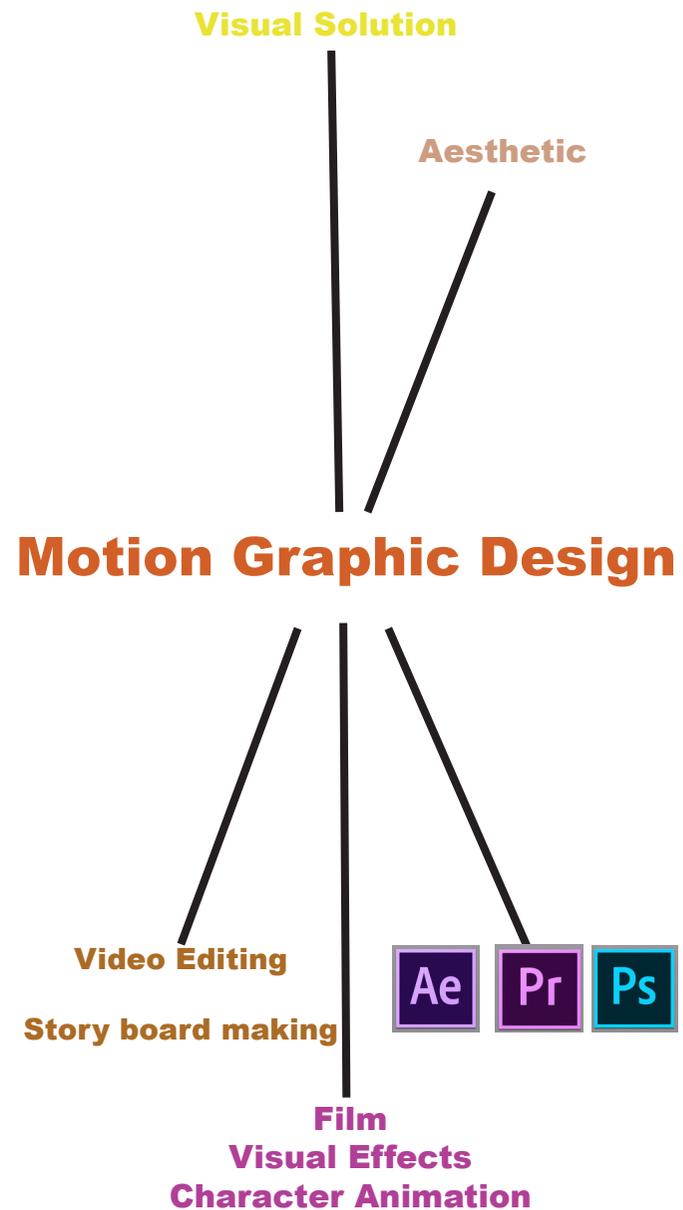

Mingchen Tang

**Creative Thinking**

**My Electives**

**Technical Skill**

# **Creative mission**

**I found most of action scene are not good enough, so I want to find a way to make better action scene in movie, and make an good action scene.**

# **Research Question**

**What can i do to make an good action scene?**

**What is creativity?**

When you make something that solves a problem without creating a new one.

**How are people inspired?**

by other people of similar interest

**What is a good scene?**

When you are clearly shown every aspect of the scene and have a fluent story line that is impossible to miss

**What are good action scenes?**

When you see a good action scene that is clear and you know what is going on.

**What are bad action scenes?**

When half of the action is hidden away from the viewers, no emotions are sent to the viewers, no good story behind it.

**How can you tell a story through an action sequence?**

By using the expressions of the characters, using movement of the characters, using certain camera techniques

**How could you develop a good character?**

Having a good back story for the character will bring out the personality, and using verbal and visual actions with highlight those personalities therefore developing the character

# Good examples

The Bourne Identity 2002 - Doug Liman

The Man From Nowhere 2010 - Lee Jung-beom

The Yellow Sea 2010 - Na Hong-jin

Flash point 2007 - Na Hong-jin

## **Thoughts**

I have watched a lot of action movies and after I did my research it has changed the perspectives of action scenes.

I think creating a good action scene is very hard. I am going to do keep studying and researching more action scenes to get a better idea on the best way to accomplish this in stage 3.
